- a/ Source of data in MACV Monthly Report of Revolutionary Development Progress: Population and Area Control at End of Month.  
b/ Population data presented for each Corps and under heading of "Total" excludes the six (6) autonomous cities under OVN control. Hamlet data excludes 6 cities after December 1965.  
c/ All population figures are in thousands (000).  
d/ Number of hamlets planned for pacification; does not include all hamlets in RVN.  
e/ Comparable hamlet data not available.  
f/ Includes Cia Dinh and Capital Military Region but not Saigon/Cholon.  
g/ Includes the 6 autonomous cities under OVN control.  
h/ Rural population control was calculated by subtracting December urban population base figure (4,630,000) plus net increase in urban population per month (Jan-Sept) from countrywide population controlled by OVN. Figure of 4,630,000 given in CINCPAC briefings of 6-7 February 1966.

<sup>a/</sup> Data source is MACV "Monthly Report of Revolutionary Development Progress: Population and Area Control." Figures include hamlets within the areas of the six autonomous cities.  
<sup>b/</sup> VC Control figure was calculated by subtracting the total hamlets secured, undergoing securing, and cleared from total hamlets planned. Total hamlets planned does not include all hamlets in RVN and it is therefore likely that that table understates the actual VC control of hamlets.  
<sup>c/</sup> Includes Capital Military Region and Gia Dinh.
